

**The best intermodal services!**

# KILIMANJARO EXPRESS

## LCL Consolidation Service for East Africa

Omori Kaisoten launches the Japan's first LCL consolidation service for East Africa - "Kilimanjaro Express" in December, 2013.

Your cargo is safely quickly and reliably sent to inland East Africa including Uganda, Rwanda and South Sudan, not to mention Kenya via Mombasa (Kenya) from Japan.

**First in Japan!**

### Comprehensive intermodal service to Inland East Africa

Even a piece of auto-parts can be delivered to inland major cities of East Africa such as Kampala (Uganda), Kigali (Rwanda) and Juba (South Sudan) via Mombasa port.

**Punctual!**

### Stable transport by bi-weekly schedule

Shipment departs Kobe Port and Yokohama Port on Wednesday and Friday, respectively, every other week.

**Only 1/10 airfreight!\***

### High-quality service at a reasonable cost

A less than container load (LCL) cargo can be accepted and it realizes a low-cost transportation while maintaining high-quality. \*Based on own research

### "Kilimanjaro Express" service schedule

● A cargo departs Kobe on December 11 as an example

Partner Carrier: Safmarine

T/T to Mombasa Port: 37-39 days

T/T to Dar es Salaam: 43-45 days

With abundant experiences in forwarding cargoes to regions of the East African states we are capable of responding to a wide variety of customer needs. We offer a bridge between Japan and East Africa!
